

Cook plate liner

Article number: 32Z4088

For use with Merrychef eikon® model(s):

□ e2 e2s e3 e4 e4s e5

Key benefits:

- Liners can be left in the cavity during operation
- Clean the liner rather than the cook plate
- Safe to be used in temperatures up to 600 °F (316 °C)
- Extended product life
- Excellent non-stick for easy cleaning and easy release of product from the liner
- To be used with PSB3108 – Cook plate

Specifications:

- Unique textured surface holds food while maintaining excellent release and cleaning properties
- Includes an award-winning PTFE laminate technology
- Will not blister or delaminate
- Superior wear and tear resistance
- Upper use temperature: 600 °F (316 °C)
- Thickness: 0.12 mm (0.005")
- Dimensions: 285 mm x 285 mm (11.2" x 11.2")

Recommended application:

To be used to keep the cook plate clean

For Pizza/flatbread/handheld bread products with different fillings

Cleaning:

Wipe clean with a soft cloth or sponge in warm soapy water. To avoid damage always follow the recommended cleaning procedure. Do not use hard abrasives or wire wools on accessories.

Suitable for dishwasher cleaning.
